In Three Easy Steps

www.HomeownerResources.com/estatements

AAM offers the convenience of eStatements, an account statement sent electronically versus a traditional paper mailing. By opting to receive eStatements, you eliminate the time spent waiting for your paper mailing and will start receiving emailed eStatements as soon as it's released. Additionally, eStatements allow your Association to remain compliant with Arizona statutory requirements regarding account statements, and will save the Association money by reducing mailing costs. Sign up today by following these three easy steps.

STEP 1: Visit Website

If you receive a paper statement from your community, you can sign up to get statements by email. You may also use this page to update the email address where we email statements.

Note: only communities that send statements support electronic statements, if you receive a coupon book, Estatements are not available. If you are not sure, enter your account number and name as it appears on your statement to check the system.
